Office Memorandum • UNITED STATES GOVERNMENT

TO : Deputy Director of Training (General)
FROM : Chief, Orientation and Briefing Division
SUBJECT: Report for Week 26 March - 1 April 1953

DATE: 2 April 1953

25 YEAR RE-REVIEW

I. INDOCTRINATION

1. On Monday, 30 March, 65 new persons attended the Indoctrination Program. This group consisted of 32 males and 33 females.
2. In addition, four officers from the Directorate of Air Intelligence attended in accordance with the invitation issued by the Director of Training. These officers were: Col. George E. Perry, Management Division (Intelligence training responsibility is under this officer); Lt. Col. Everett H. Ware, Assistant Maj. Harold P. Thomas, Security Officer, Lt. Col. Fred T. Jeep, Planning Team, DI.

Although these officers have had considerable experience in the Intelligence field, they expressed themselves as well compensated for the time spent in our Indoctrination Program. Furthermore, a call was received from Col. Grant, who is a special aide to Gen. Samford, the Director of Air Intelligence, and who attends the IAC meetings with Gen. Samford each week, expressing gratitude for what we had done, stating that he, himself, would probably come to one of the future sessions.

3. We ascertained that a program is conducted within Air Intelligence, tailored to their own internal needs, and that they would be glad to have certain personnel from our Agency participating in that program.

4. [] has been named our contact officer on this entire Air Force project. In addition to his clearance of officers to attend the programs on a weekly basis, he will also find out more information about the Air Force program. This will be audited by the Chief, Orientation and Briefing Division, before specific recommendations are made as to Agency participation.

II. ORIENTATION

1. The Chief, Orientation and Briefing Division, received the reactions and approvals of the Director of Training from the DD/TR(G) on the official report of the Ninth Orientation Course. This is being used at present for our official planning purposes.

2. We regret that [] will not be available for his presentation on National Intelligence. On the suggestion of the Deputy Director of Training (General) and concurred in by the D/TR, we will attempt to secure the services of [] who has done a satisfactory job for us on previous occasions.

III. SPECIAL

1. Met with Father Franklin Ewing, Director of Research at Fordham University, and Father McGuire, Secretary of the Secretariat on Catholic Missions (who is in frequent touch with many parts of our Agency) to discuss the format for my forthcoming presentation to the faculty and student body at Fordham and to evaluate particular programs being evolved in which we might have a direct or indirect interest. Father Ewing is meeting with the DCI this afternoon, 2 April.

2. The facilities of the Orientations room are being used more and more by personnel of various offices throughout the Agency for a variety of programs. In each instance, our advice is asked regarding format and suggestions for producing the best results. This past week, personnel from OSI held two sessions with us.
